A time of laughter and tears
The memories last throughout the years
Of good times and bad,
the happy and sad.
Of dreams once vivid,
known, forgotten
And days that went
from bad to rotten

Although the bad times seem many,
and good times few,
Remember your friends,
and you'll make it through!

By Cheryl Wright

Youth is not a certain age,
But a state of mind.
To be able to venture through life,
Accepting the disappointments
And frustrations,
But yet, look upon
The brighter side of life,
And be able to smile
Is youth.

By Kathy MacRae

By Gay Maveety

I often wonder how it feels,
for the elder sick and grey
sensing death upon their heads
They wished their lives away
Hearing troubled young voices
concerned about lives with length
they need to be like their elders now
and have their wisdom and their strength

I judge then to myself and know
that whatever comes to pass
It won't be so I can't endure
A lifetime has to last

Sometimes I feel
I haven't the age to cope
Then I remember the aging grey
and their never ending hope

And I turn to the problem once more
With my gift of agile youth
And in my triumph I know
I'll always see me through

Be young, it's the time of your life,
No times of trouble or conflict or strife.
Going to school, being supported by Dad,
He doesn't realize but he's being had,
Past the nursery rhymes but not yet to college,
Our bodies are youthful like vigorous foliage.
Carefree and careless and never forgiving,
We try to prepare for the battle of living.

Moods

I'd love to take a bat
And hit you on the head
Or take your prized possession
And paint it pink and red

I'd love to take your books
And dip them in the goo
Then take your super bouncer
And cut it right in two

I'd love to take your clique
And burn them at the stake
Then take your soul and drown it
At the bottom of a lake

I'd love to eat an olive
And spit the pit at you
Then take hot peanut oil
And fry you in that too

We'd had our basic differences
But life will always lend
Time for contemplation: Time
to call you just a friend

Always taking Never giving

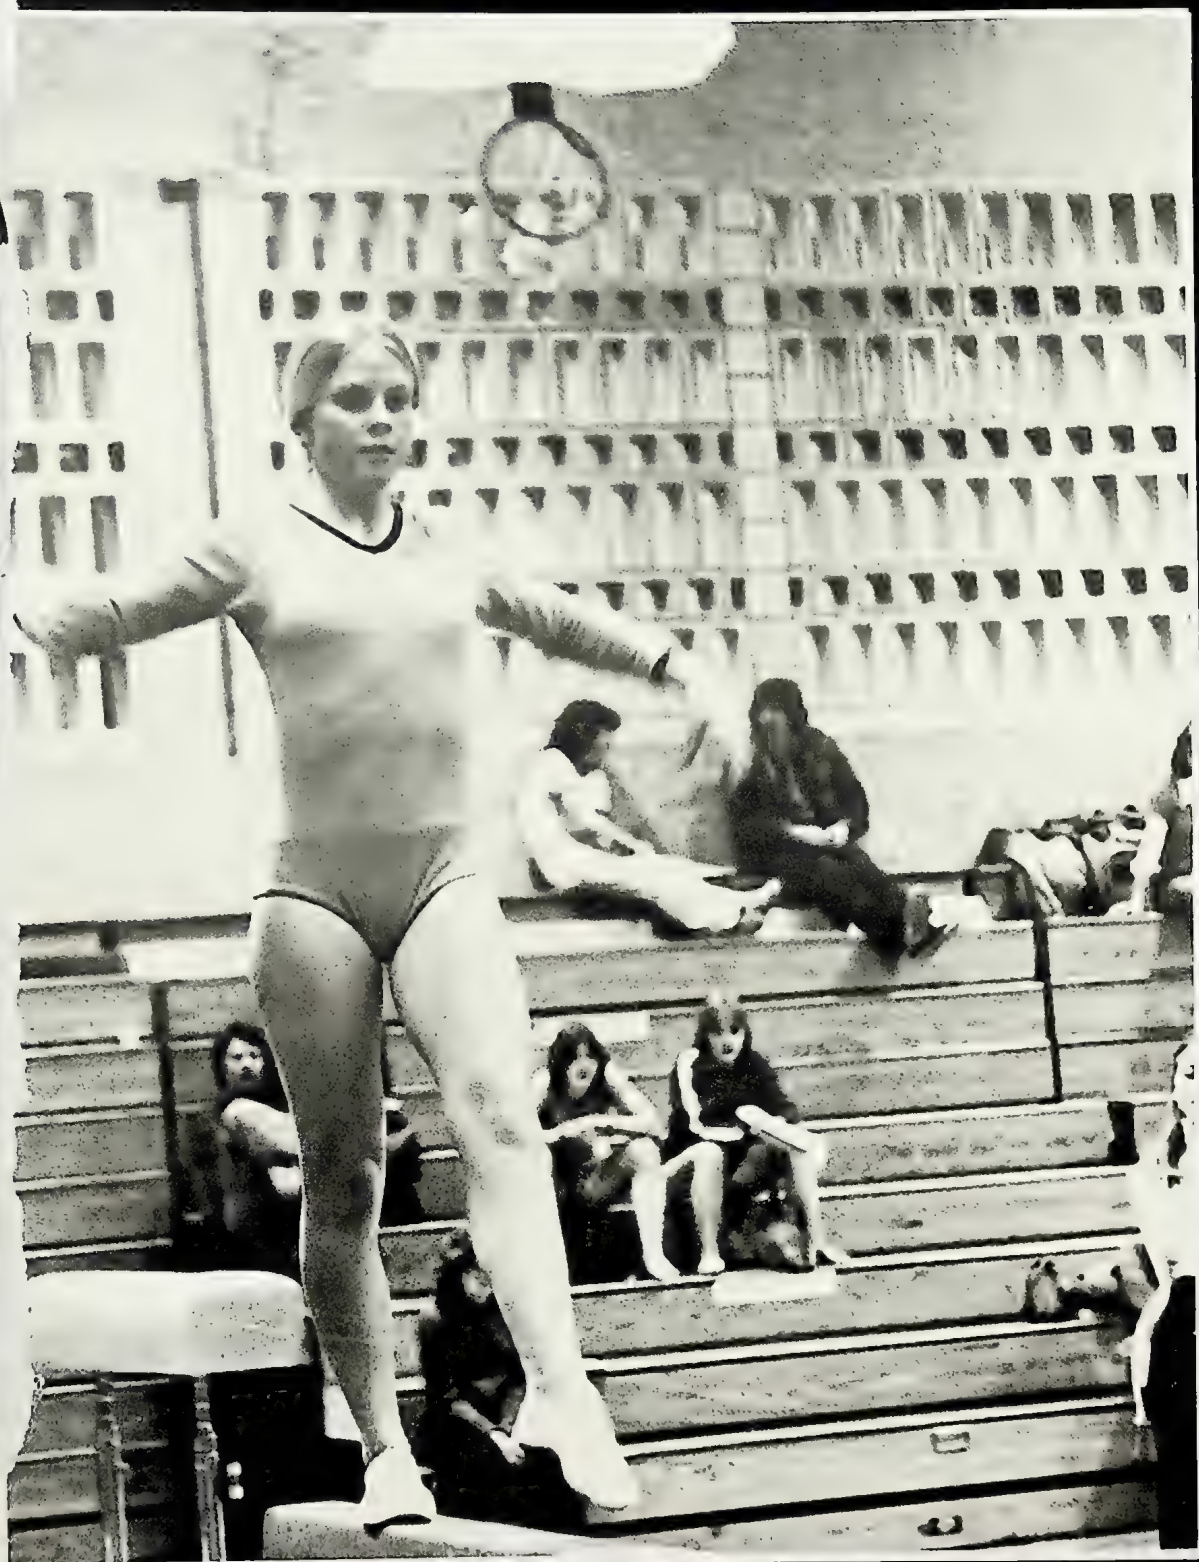

Life is too short to be angry
the inner torment which tears the mind
must keep within
For the brief satisfaction will be forever haunting
Although my anger is flooded with hurt
It will still be kept from thine ears
The willpower is baffling
But from this end yours is worth more
Even though I feel this is not true for you
the anger will leave, but the hurt will always remain
As well as the withering friendship which I now start to
ponder
the only question I put to you is
"Is it worth all this for one night."

SPORTS

Sport is indeed a learning experience and therefore it is fitting that it should appear so extensively throughout High School life. Sport at the High School level is not only capable of developing the body but also the mind, for sport demands one's discipline, dedication, and determination. It develops character and promotes Fellowship. It is believed that the athletes of Shep have grasped this principal, and have utilized sport for the purpose of self-betterment.

SENIOR FOOTBALL TEAM

COACH RIPPEL

Coach Rippel's Prediction:

I think the team looks good this year. We're starting to play as a single unit now and the defence is coming along well. I think these will prove to be our two main strong points; unity and defence. We'll be in the playoffs this year.

Results:

The Senior T-Birds ended regular season play this year with a 4-3 win loss record to tie with O'Leary and Jasper Place. All three teams earned 8 points to end up in third place in the A Division. Unfortunately the T-Birds finished out of post season play as they had suffered losses to both O'Leary and Jasper Place. The offense came up a little weak, only managing to score 87 points but the defence lived up to Coach Rippel's pre-season prediction by allowing only 85 points, a better than average defensive record.

BACK ROW: Coach Rippel, Coach Wydareny, Bruce Jamieson, Bob Fowlis, Bernie Schwartz, Manager; Ken Jodoin, Manager. FOURTH ROW: Ed Marcinew, Paul McCann, Richard Miller, Steve Zorbas, Dean Blake, Graeme Jenks, Brian Stephen, Rick Suggitt, Joel Cochrane. THIRD ROW: Barry Williams, Mark Liguori, Dave Heather, George Smith, Tim LeRiche, Gordon Hutchinson, Bob Young, Clay Kavalinas. SECOND ROW: Danny Peacocke, Dale Forbes, Bob Chisholm, Brad Margolis, Richard King, Dave Catonio, Willie King, Ben Meeker. FIRST ROW: Bruce Thomas, Bill Brydon, Ted Hole, Neil Libin, Geoff Gwen, Mark Maveety, Ray Wheatly, Colin Reynolds. MISSING: Ed Switzer, Kevin Johnston.

JUNIOR FOOTBALL TEAM

Coach Steele's Prediction:
I think we have a good chance of winning it all. We have a lot of good athletes with the right attitude, it's just a matter of putting it all together.

Results: This year the Junior T-Birds successfully avoided the two available playoff positions by finishing in fourth place. The team won four of their seven games, earning them eight points in the Junior A Division. In the offensive-defensive department the Juniors barely broke even by scoring eighty points while giving up seventy-five. In general, a respectable season, after all it could have been worse.

COACH STEEL

BACK ROW: Andy Lemessurier, Lance Tynkow, Paul Morrisson, Jim Stewart, Pat Barker, Steve Chen, Mark Miller, Chris Taskey, Coach, Al Cook. **FOURTH ROW:** Ken Jodoin, Manager; Daryl Rube, Brent Croucher, Dean Elverum, Scott Bower, Brian Vanstrien, Rob McGregor, Bernie Schwartz, Manager. **THIRD ROW:** Bruce Robb, Rick Thomas, Mike Splinter, Bohdan Stus, Larry Dye, Craig Wiwad, Marty Grossman, Terry Reinhard, Don Charnow, Coach. **SECOND ROW:** David Babcock, Ron Holtz, Paul Richardson, Ed Hoda, David Simpson, Pat Cardinal, Rob Wheatly, Neil Watson. **FIRST ROW:** Jim Hudson, Bill Davis, Arthur Potts, Clifford Petrikowsk, Donald Goss, Tim Langmaid, John Archibald, Coach Steele. **MISSING:** Bruce Hnidan, Coach.

SENIOR CHEERLEADERS

BACK ROW: Marcie McMullen,
Janet Wood, Michele Green,
Cathy Turner, Mrs. Mester,
FRONT ROW: Marg Zackary,
Sharon Miller, Sandy Gauthier,
Trish Williams, Sherri Lang.

Results:

Besides wondering what they wear under their kilts have you ever really given much thought to the Cheerleaders? Not only do they boost enthusiasm at sporting events and Pep Rallies but they have also been actively representing Shep through cheer-leading competitions. In the McNally Invitational as well as in the Golden Bear Invitational the girls placed second to McNally. In the C.A.P.H.E.R.

CROSS-COUNTRY TEAM

COACH HANCHERUR

Coach Hancheruk's Prediction:

The team should do pretty well in the Provincials. We've got some good runners this year and I'd expect a few of them to finish in the top twenty.

Left to Right: Denise Duncan, Kathy MacKenzie, Louanna McFee, Doug Erikson, Kevin Svidal, Alan Shaw, Mark Kandborg, Steve Bailey, Coach Hancheruk, Graham McCartney, Jeff Mohler, Colin Jones, Kevin Short, Gordon Heacock, Rod Matthews, Carolyn Taciuk.

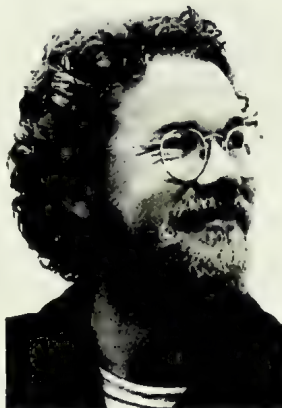

Results:

Despite the unfavorable weather conditions, this year's Cross-Country Team earned 16 points in the City Meet, finishing in fourth place. Shep's entry in the Open Boys category managed a respectable second place finish. Both the Senior and Junior Boys finished in sixth while the Senior Girls placed third in their class.

SENIOR BOYS VOLLEYBALL

COACH BOB HALL

Coach Bob Hall's Prediction:
The Senior T-Birds look very good this year. The offence is strong and and we have some powerful spikers. More important, the team has a very positive attitude for a change, and this is going to have a good effect on their play. Two years ago the team made the city quarter-finals, last year they made the semi-finals, and this year we hope to make the finals. I think that this is the team that could take it all.

TOP ROW: Bob MacQuisten.
FOURTH ROW: Brian Medhurst, Ross Gilker. **THIRD ROW:** Neil Linton, Mike St. Clair, Barry Tucker. **SECOND ROW:** David Superstein, Don Bouwman, Stan Mayer, Cliff McAuley. **FIRST ROW:** Coach, Bob Hall; Mr. Hepburn, Staff Adviser.

Results: The Senior Boys had a rather successful season this year. Out of ten matches in regular play they won 27 of 40 games earning them 14 points. This performance landed them in fourth place, securing them a playoff position. Once in the playoffs they succeeded in defeating Harry Ainlay in the quarter finals before being knocked out of competition by M. E. LaZerta in the semis.

JUNIOR BOYS VOLLEYBALL

COACH MIKE FRASER

Coach Fraser's Prediction: It's rather difficult to say exactly how they'll finish, having not seen the other teams, but from working with the team in practice I think we look pretty good.

BACK: Eric Van Der Werf, Greg Miller, Paul Fiddle, Jeff Wong. FRONT: Keith Wensel, Dave Nix, Al Szybunka, Paul Fraser, Jeff Mohler, Jim MacGregor.

Results: Well sport fans, what can you say? Perhaps something like "It was a good effort guys, but better luck next year." In case you didn't know, the Juniors finished with a 0 and 8, win-loss record and as many points as snakes have toes. But I understand with the youthful coaching of Mike Fraser and a year's experience under their belts, they expect to at least double the point total next year.

SENIOR GIRLS' VOLLEYBALL

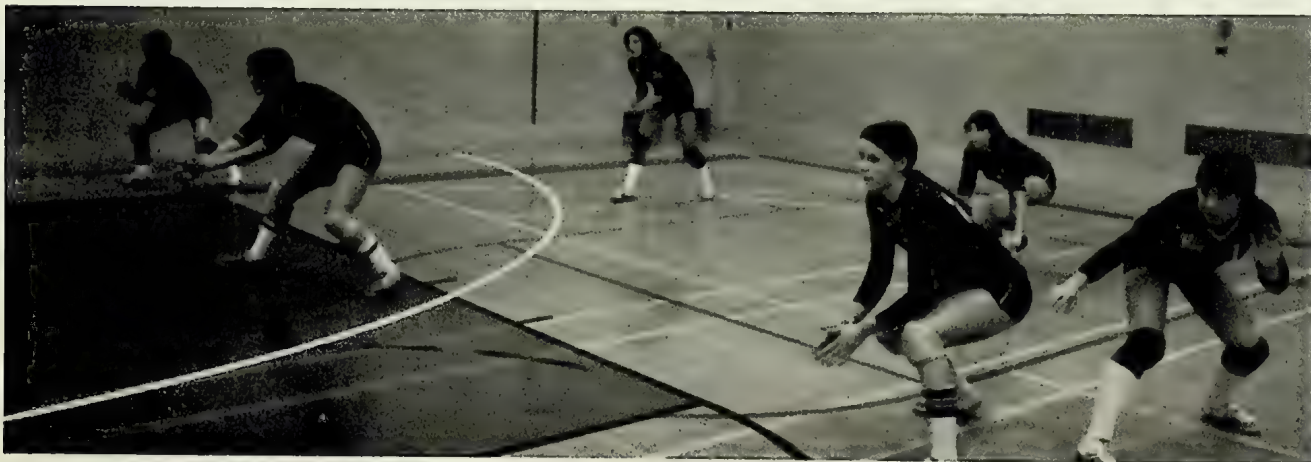

COACH McMILLAN

Coach Rippel's Prediction:

I think the team looks good this year. We're starting to play as a single unit now and the defence is coming along well. I think these will prove to be our two main strong points; unity and defence. We'll be in the playoffs this year.

Results:

The Senior T-Birds ended regular season play this year with a 4-3 win loss record to tie with O'Leary and Jasper Place. All three teams earned 8 points to end up in third place in the A Division. Unfortunately the T-Birds finished out of post season play as they had suffered losses to both O'Leary and Jasper Place. The offense came up a little weak, only managing to score 87 points but the defence lived up to Coach Rippel's pre-season prediction by allowing only 85 points, a better than average defensive record.

STANDING: Coach McMillan, Dawn Noyes, Monica McMillan, Debbie Mottershead, Debbie Hoffman, Maureen Yates, Jess Robbins, Chris Semeniuk, Coach Holly Jensen. **SEATED:** Mary Ann Kuharchuk, Mary Popovic, Cathy King, Noreen Mitchell, Trish McMillan, Coach Loma Campbell.

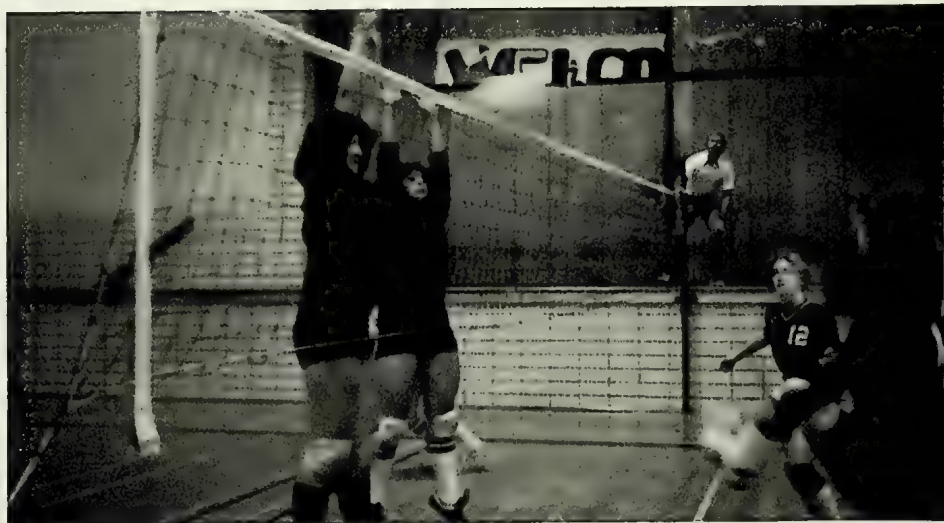

JUNIOR GIRLS' VOLLEYBALL

COACH McROBERT

Coach McRobert's Prediction:

I think we stand a pretty good chance of making it to the playoffs this year. We're getting some pretty good serving and the rest is coming along.

STANDING: Kirsten Currie, Manager; Janice Bagot, Sarah MacDonald, Judy Pate-man, Sue Brown, Donna Owen, Coach McRoberts.
KNEELING: Carol Cotterall, Manager; Kelly Nisgard, June Low, Nancy Matheson, Megan Mustard, Robyn Le-Riche, Cynthia Moore, Umpire.

Results:

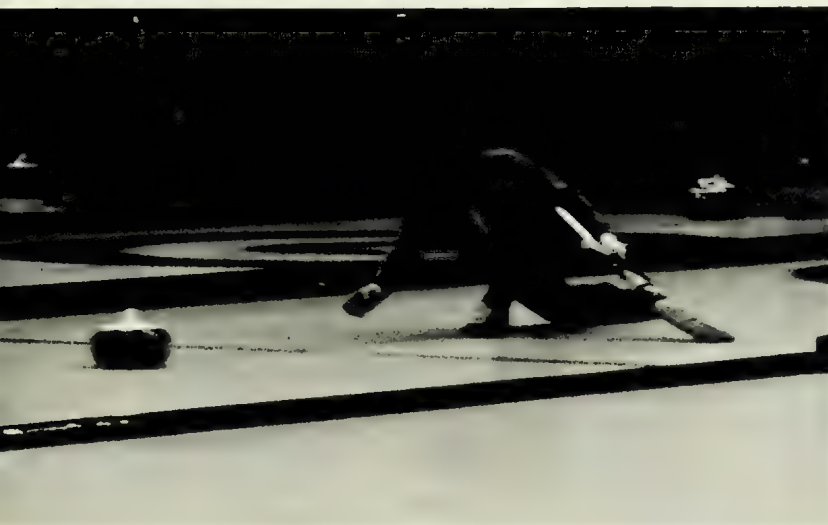

Coach McRobert's prediction was, needless to say, somewhat of a modest assessment of her team's capabilities. The Junior's powerful regular season performance earned them not only a first place finish but also a playoff position. In the City's the team advanced to the Semi's where they were defeated by Eastglen in 3 games. With a performance such as this, one can certainly look forward to a strong Senior Team next year.

CURLING TEAM

COACH ODYNSKY

Coach Odynsky's Prediction:

I think our team looks good this year. Many of the rinks have been together for a year so they should benefit from this extra experience.

BACK ROW: Steve Flock, Terry Winnitoy, Steve Bailey, Ron Dimos. **THIRD ROW:** Chris Wamer, Dave Herman-son, Coach Odynsky. **SECOND ROW:** Bernie Schwartz, Jay Thomas, Terry Dicker, Ken Gray. **FIRST ROW:** Patti Carson, Laurel Fantin, Donna Coutts, Debbie Machan. **MIS-SING:** Richard Coutts, Royce Medd, Richard Witzke, Greg Winter, Steve Zorbas, George Zorbas.

Results:

Five rinks comprised the Curling Team this year but the feminine contribution to the team proved to be Shep's only real claim to fame. Skipped by Donna Coutts, the girls won the B Division of the Senior High School League. In Senior Boys action the rink lead by Ron Dimos finished near the top of the A Division while the Ken Gray rink made a good showing in the D Division. In Junior Boys competition rinks were skipped by Chris Wamer and Rick Witzke.

KINASH RINK

STANDING: Mike Kinash,
Jeff Coombs. KNEELING:
Mark Medd, Richard King.

Results:

The Kinash Rink, after winning one of the six city zones, advanced to the Northern Alberta Play downs. Here, they won their first two games but lost their third game to the Ferby Rink, the subsequent A Division winners. This loss sent Kinash to the B Division where they won their first two games before losing to Williams in the finals. This performance earned Kinash and Co. a third place ranking in Northern Alberta.

CO-ED SWIM TEAM

COACH ROLLANS

Coach Rollan's Prediction: The Swim Team should finish near the top again this year. The loss of most of our open swimmers through graduation has been offset by an above average enrollment of new swimmers, giving us a stronger novice section. The team's main strength is its size, with good depth in all strokes. Harry Ainley looks like the class of the league once again but Ross Shep should not be far behind.

STANDING: Tom Packer, Jim Hudson, Marietta Juthner, Barb Higgins, Scott Busfield, Liz Burns, Gordon Heacock, Dave Burns, Paul Gledhill, Scott Rollans, Kirsten Currie, Mary Young, Lex Miller, Harry Schaepsmeyer, Sarah Pocklington, Barb Whalen, Ron Snyder, Ann Faulkner, Cynthia Moore. THIRD ROW, KNEELING: Doug Ramsey, Carolyn Taciuk, Melanie Friedman, Glenn Faries, Sue Young. SECOND ROW, KNEELING: Deb Yedlin, Denise Duncan, Barb McDonald, Ian Hamilton. FRONT ROW, SITTING: Craig Rajchert, Doug Hazlett.

1977 proved to be a very successful year for Shep's Swim Team. In five of the six preliminary meets they placed first all but once. Again this year Ainley emerged on top at the City Final meet with Shep claiming second. Certainly a performance to be proud of.

WATER POLO TEAM

COACH HINCZ

Coach Hincz's Prediction: We'll aim for the top and take it from there. We lost three of seven starters from last year so we'll be looking for a team performance rather than individual efforts. It depends on the strength of the other teams.

BACK ROW: Ian Hamilton, Lex Miller, Dave Burns, Scott Rollans, Tom Packer. FRONT ROW: Doug Hazlette, Harry Schaeosmeyer, Doug Ramsey. MISSING: Scott Busfield, Gordon Heacock, Ron Snyder, Craig Rajchert.

GYMNASTICS TEAM

Coach Dromisky's Prediction: Even though the team is made up of mainly novices, they're doing very well for the amount of practise time they get. The novices are strong in vaulting and tumbling - I'd expect the seniors to do well in the city's.

Coach McMillan's Prediction: We have a smaller team this year but nevertheless I think we're one of the top three High School teams in the city. I feel our two best events will prove to be the floor exercises and the balance beam.

COACH DROMISKY

BACK ROW: Audrey Macklin, Nancy Matheson, Susan Brown, Debbie Noyes, Wendy Shaw, Janice Woolveen, Lynn Samson, Coach Joni Dromisky. **FRONT ROW:** Kathy McKenzie, Trish Beck, Trish McMillan, Charlotte Cooper, Donna Montgomery, Joanne Rees, Nancy Verdon. **MISSING:** Coach McMillan.

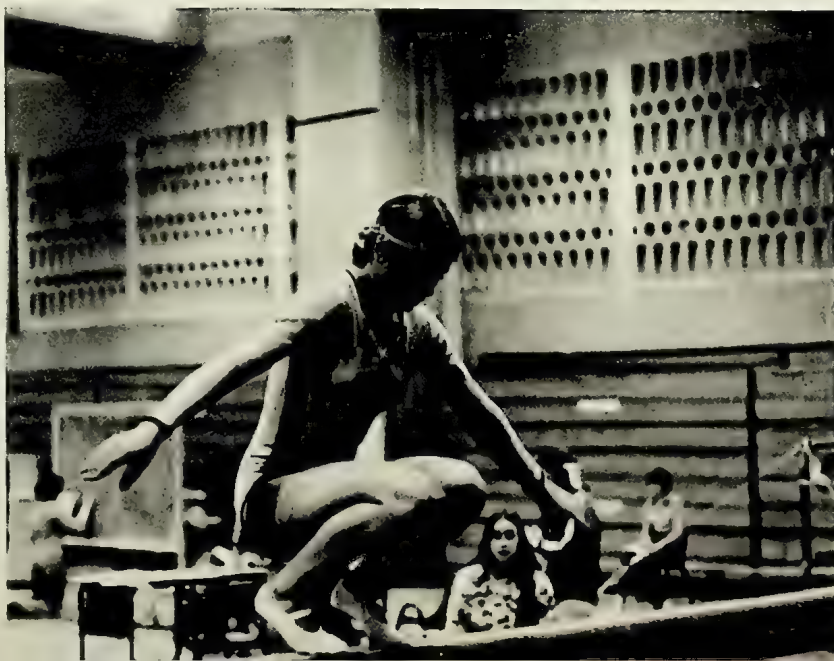

Results: The Gymnastics Team made an excellent showing in the City final meet this year by placing second to the unbeatable Ainley entry. Joanne Rees placed first in the Novice B Vaulting while Kathy McKenzie earned first place in the Junior Uneven Bars.

The team wishes to express their appreciation to Joni and Miss McMillan for all they've done for them this year.

T-BIRD BASKETBALL

SENIOR BOYS' BASKETBALL

Coach Dave Hoy's Prediction: The Ross Shep Senior Boys' Basketball team is among the top three basketball teams in the league, and has the potential to win the city championships. The team has four starting players returning from last year's team, considerable height among the forwards, and a great deal of depth at the guard position. The strong point of this team is the individual ability the players have. If they can pool their talents into a team concept, Ross Shep has a potential City Championship team.

COACH HOY

BACK ROW: Bernie Schwartz, Manager; Barry Williams, Graeme Jenks, Ray Wheatley, Dean Spaner, Rick Suggitt, Stan Mayer, Mike St. Clair. MISSING: Sam Sorokin, Bob Fowlis, Rob Swartz, Brian Medhurst, Ben Meeker, Manager.

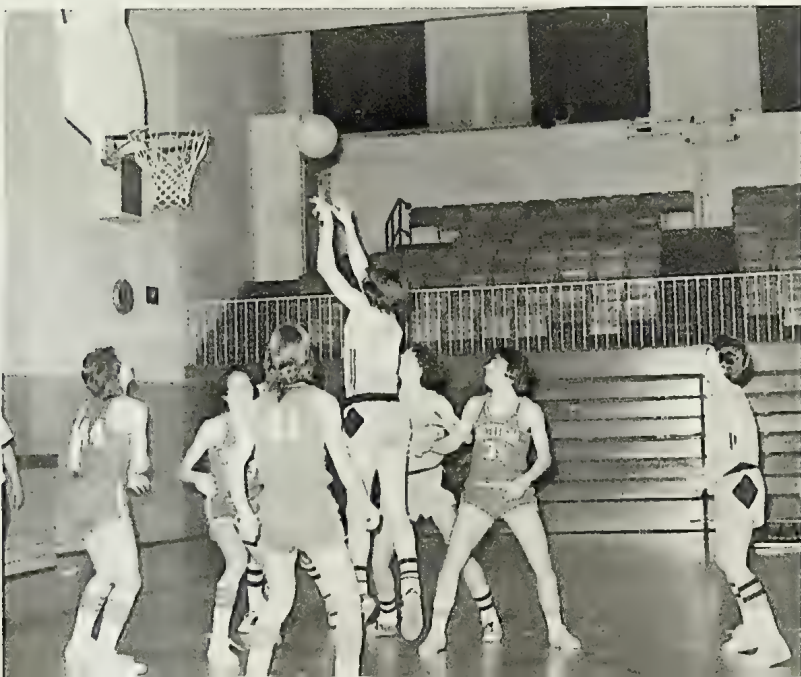

Results: The Senior Boys, who had a successful 11-3 win-loss record, showed to be just as successful in the playoffs. They first met the Louis St. Laurent Barons, who they somewhat destroyed by the score of 63-21. Advancing to the quarter finals, the team eliminated Eastglen 64-39 earning the right to face M.E. Lazerte in the semis, however, in a very close contest the Voyagers emerged the victors, 54-53.

JUNIOR BOYS' BASKETBALL

COACH ELLIS

Coach Scott Ellis' Prediction: We have only two returnees from last year so the team is comprised of mainly first year players. It will take a little time for them to gain the experience needed to be a topnotch team. I rank them about fifth or sixth.

BACK ROW: Bill Black, Dave Wetter, Greg Jardine, Paul Pidde, Curt Meeker, Dale Miller, Blake Bouzek, Mark Siderson. FRONT ROW: Jim MacGregor, Jeff Mohler, Colin Wetter, Bob MacQuisten, Paul Fraser. MISSING: Jerry Kosior, Assist. Coach.

Results: The Junior Boys came on strong in their exhibition games this year, finishing with a four and one record but when regular play began, the team lost four while winning only one. As it is the regular play that counts, the team did not make the playoffs. One thing the exhibition games proved, however, was that the team is not without talent, so next year we can look forward to a more experienced team.

SENIOR GIRLS' BASKETBALL

COACH RICHARD

Coach Richard's Prediction: I feel we have a pretty good team. We've got only three returns from last year but the team's aggressive and has good height so we should do well this year.

BACK ROW: Coach Richard, Nancy MacDonald, Anna MacDonald, Deb Mottershead, Sherry Feldman, Jess Robbins, Adrian Currie. SECOND ROW: Maureen Yates, Katie Walker, Liza Miller, Judy Pateman, Mildred Pederson, Manager. FIRST ROW: Trish Beck, Trish McMillan. Results: A final record of three wins and five losses was sufficient to advance the Senior Girls to the playoffs where they met, first, St. Francis Xavier. Getting by F.X. with a score of 41-30, the girls then met Queen E., who eliminated Shep from the playoffs by downing them 55-41.

JUNIOR GIRLS' BASKETBALL

COACH MITCHELL

Coach Mitchell's Prediction: We have mostly first year High School players, but they have a lot of talent. As the season progresses I feel that the girls will get the needed playing experience to make it to the playoffs and possibly the City's.

BACK ROW: Coach Noreen Mitchell, Janice Bagot, Kelly Nisgard, Susan Brown, Liz Thomas, Miss Mc-Millan, Staff Advisor. FRONT ROW: Val Byford, June Low, Mildred Reinjes, Risa Rubin, Donna Owen, Carol Cotterall, Pat Sawatsky.

Results: After regular season play, the Junior Girls emerged with an even record of five and five. This was sufficient to advance them to the playoffs where they met Queen E. in the quarter finals. Winning this game easily, with a score of 34 to 25, Shep earned the right to play LaZerte in semi-final action. Here, the girls were defeated but not without a hearty fight as they lost by only four points with a score of 38 to 34.

REACH FOR THE TOP

Mrs. Lea-Wilson, Jane Robertson, Norman Ingram, Barb Sidor,
 David MacPherson, Miss Hansen.

All the clubs in Ross Shep are sponsored by the Student's Union with the idea being that Student's Union should involve as many people in as many ways as possible. Club meetings are generally held at noon hours to encourage kids to become involved, and the wide participation in the 1976-77 clubs program seems to be an indication that the kids at Shep are interested in improving both themselves and their environment. Let's keep it up!

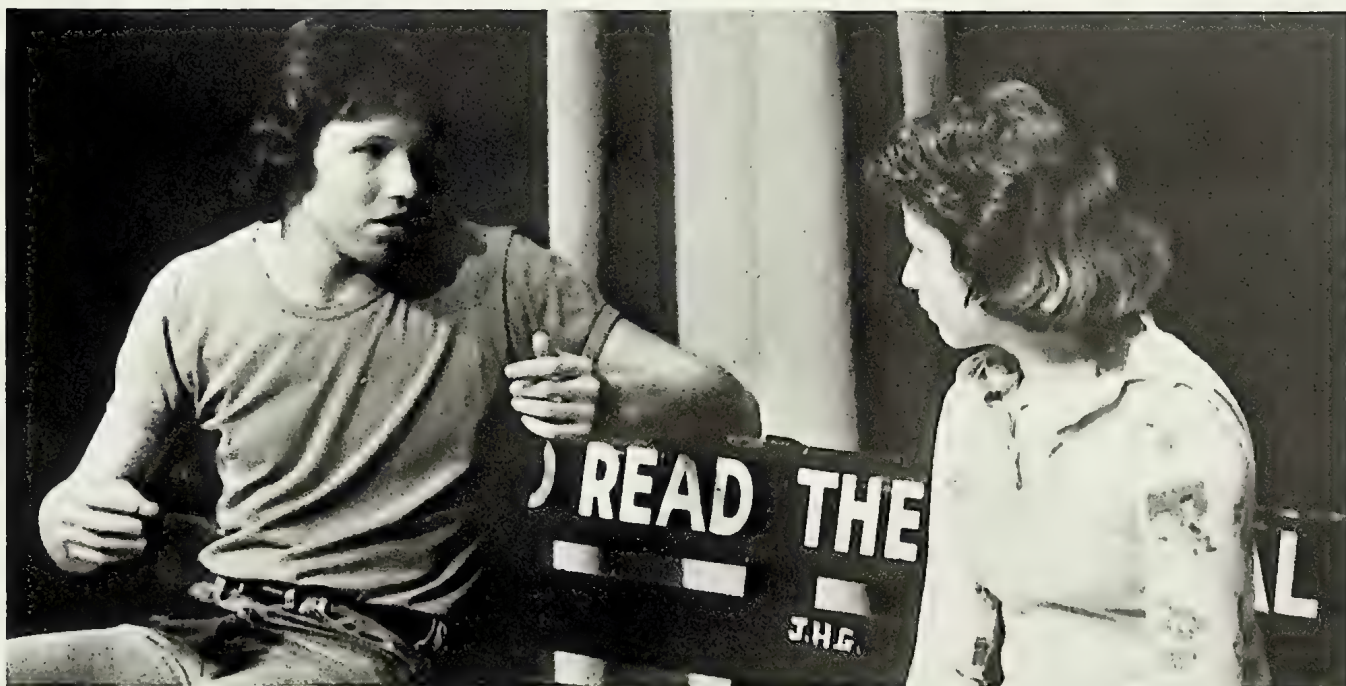

The music department at Ross Shep is made up of four bands and a choral class. The Junior and Concert Bands, as well as the Choral class, are offered as courses at Shep. The Stage Band involves extracurricular practices and members earn credits for their participation. Playing a faster type of music, the Stage Band is a popular attraction at concerts. The T-Birds Concert Band consists of anyone and everyone interested in music, with the only restriction to participation being that members regularly attend practices. No credit are offered for belonging to the T-Birds band, but the members have the opportunity to travel outside both the city and province to show their talent, an attractive fringe benefit for both the students and the school as our name is carried afar.

MUSIC

DRAMA

The Drama club at Ross Sheppard is responsible for staging the many productions put on both here and outside the school. It involves not only actors and actresses, but also an entire backstage crew which is in charge of constructing the sets and handling lighting and special effects on production night. Other members of the Drama Club take care of costumes and makeup. A very professional group, it is easy to see why drama productions are such a success at Ross Shep.

DANCE

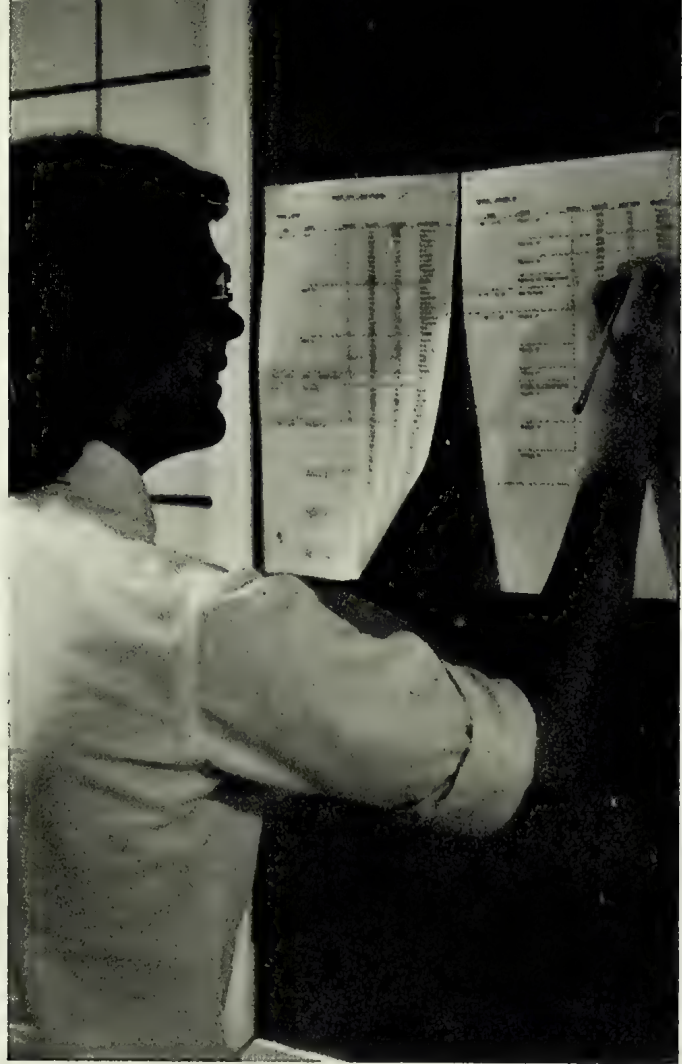

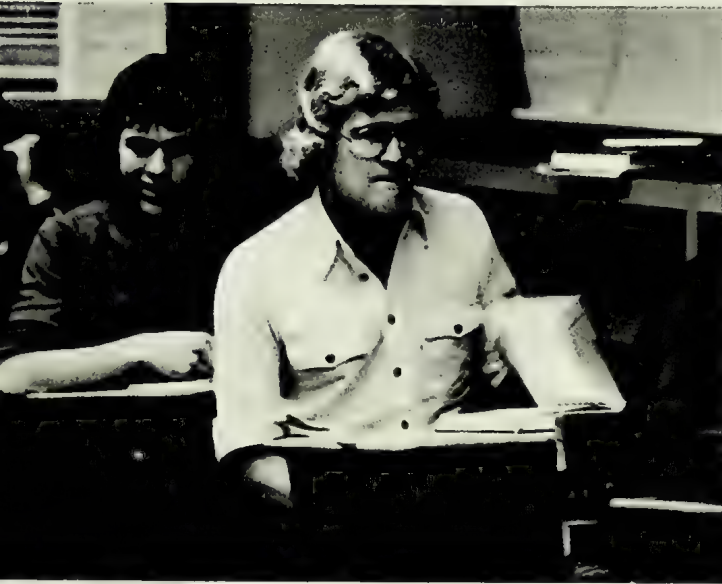

Dance club is a noon hour club for those interested in dancing or learning how to dance. Any type of dance is welcome, but the club is mainly jazz, and some ballet. Some performances are put on for the enjoyment of the school and parents. Choreography and costumes are done by members of the club and a lot of help comes from the teacher-sponsor, Mrs. McRoberts.

EXAMS

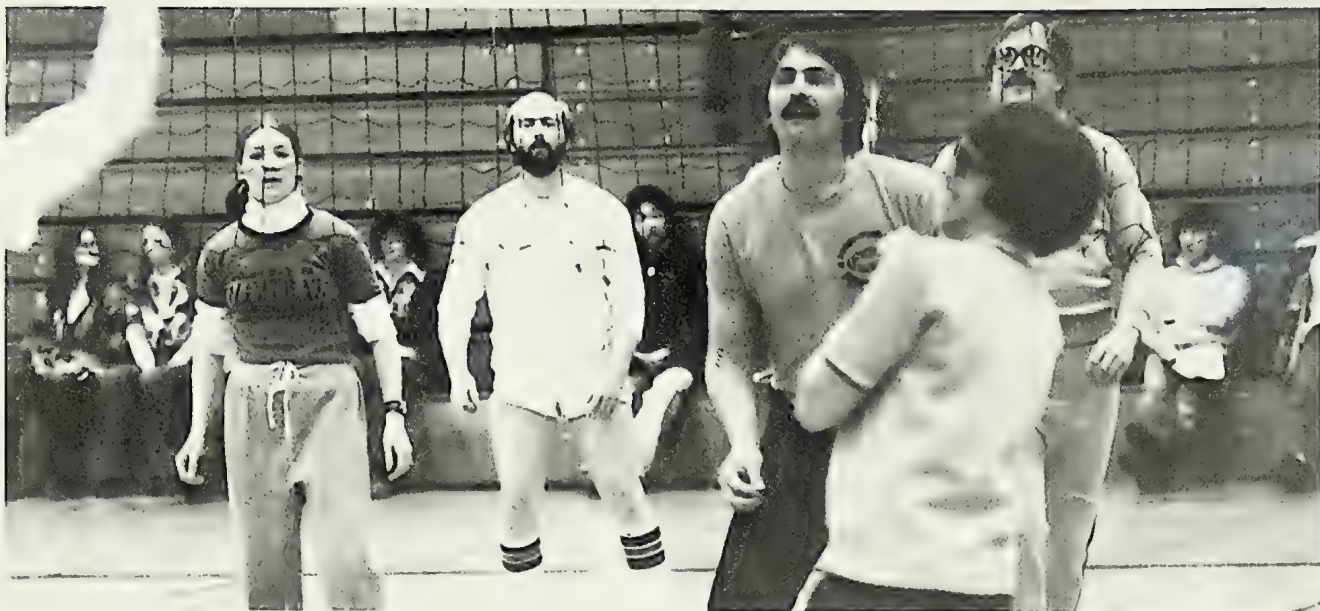

1976 - 77 saw, much to the dismay of students and even teachers, the return of departmental exams, so in addition to those dreaded school midterms and finals grads face provincial government exams once again. Furrowed brows and crossed fingers are the order of the day.

GRAD

Grad Council is the division of the Student's Union which is responsible for planning and running both the school graduation ceremonies and the grad dinner and dance. As well, committees within the division work to raise money and publicize upcoming events. The theme for grad, chosen by the members of the Class of '77, is "Friends" by Elton John. David Superstein and his executive did an excellent job of giving the grads a memorable graduation.

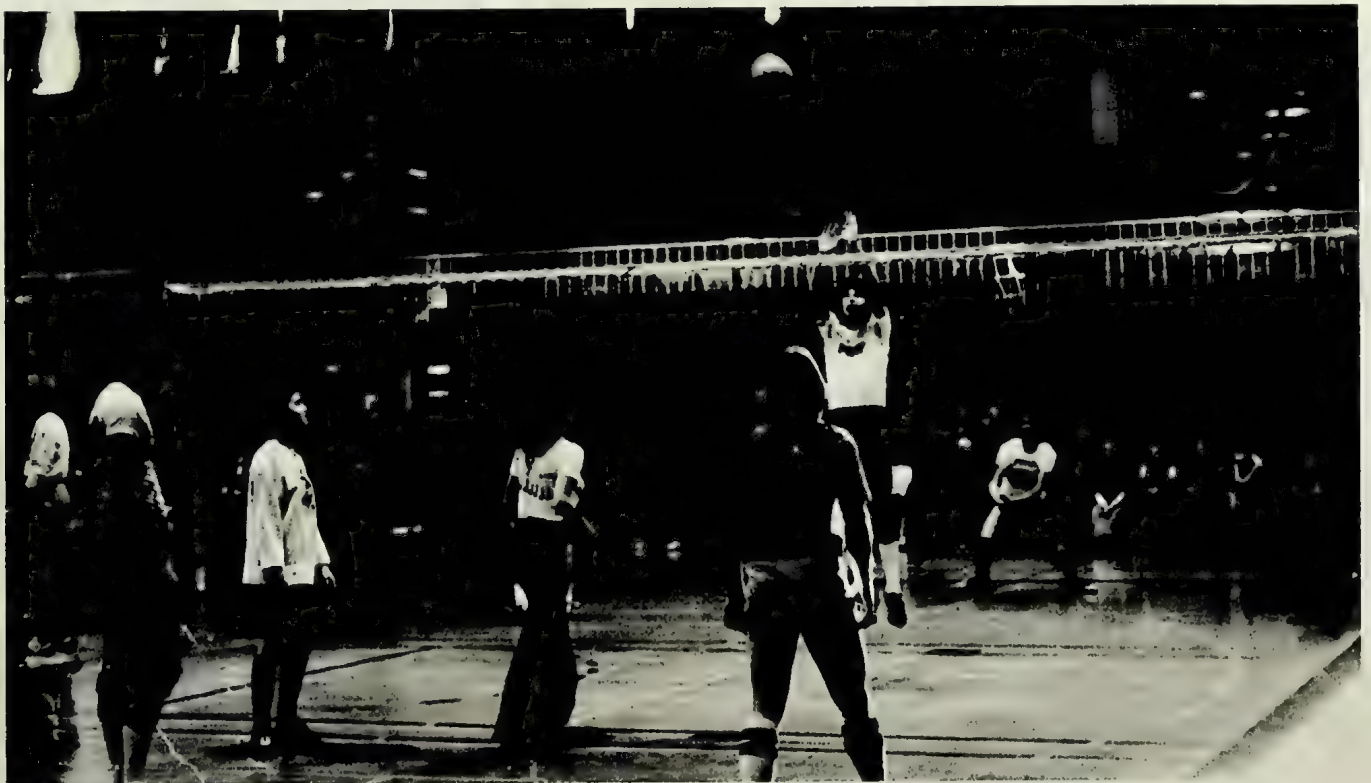

INTRAMURALS

The intramural program at Shep is run by the Phys. Ed. department for the purpose of providing an opportunity for kids to participate in sports without spending the time and effort required of those on an interschool team. Intramurals are run by the Phys. Ed. 30 classes during noon hours, and was a success this year.

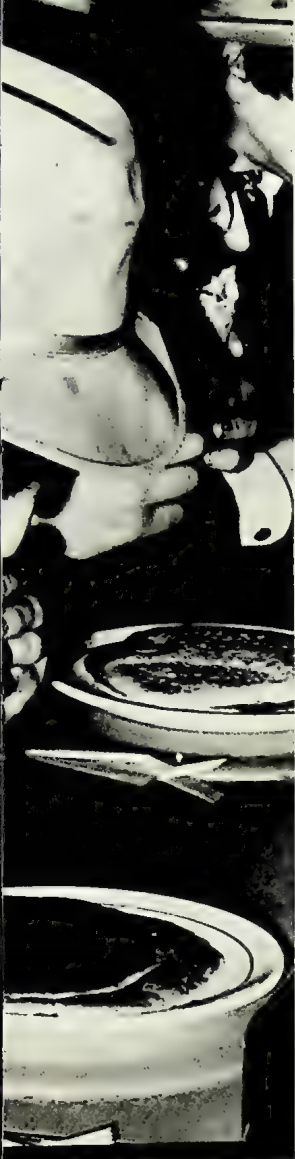

1976-77 saw the intramural program as extensive as ever. This year involved such activities as girls, boys, and co-ed volleyball, in which even staff teams were entered, flag football, hockey, basketball, badminton, handball, co-ed two-pitch baseball, and two-pitch tennis. Participation, as usual, was high, and everyone had a good time which is really what intramurals are all about.

WESTERN DAYS

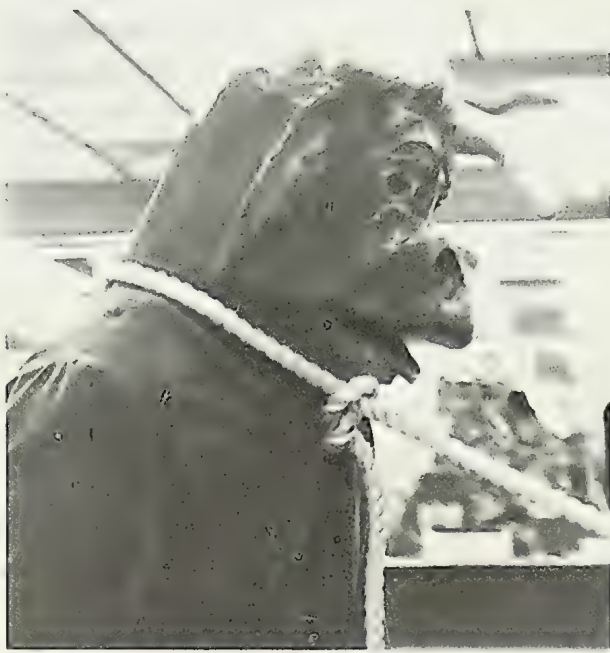

Western Days is the annual day of madness at Shep when everyone, teachers included, goes back to the days of the wild west. Held in February, the kids arrive at school dressed as cowboys, can-can girls, and Indians, ready for the fun. And fun it is. Classes are shortened, and contests and races are held during the extended lunch hours. Everyone has fun, and those who don't enter an event are in the stands cheering on those who do. The day is wound up with the annual Western Days Dance, and then too soon it's over.

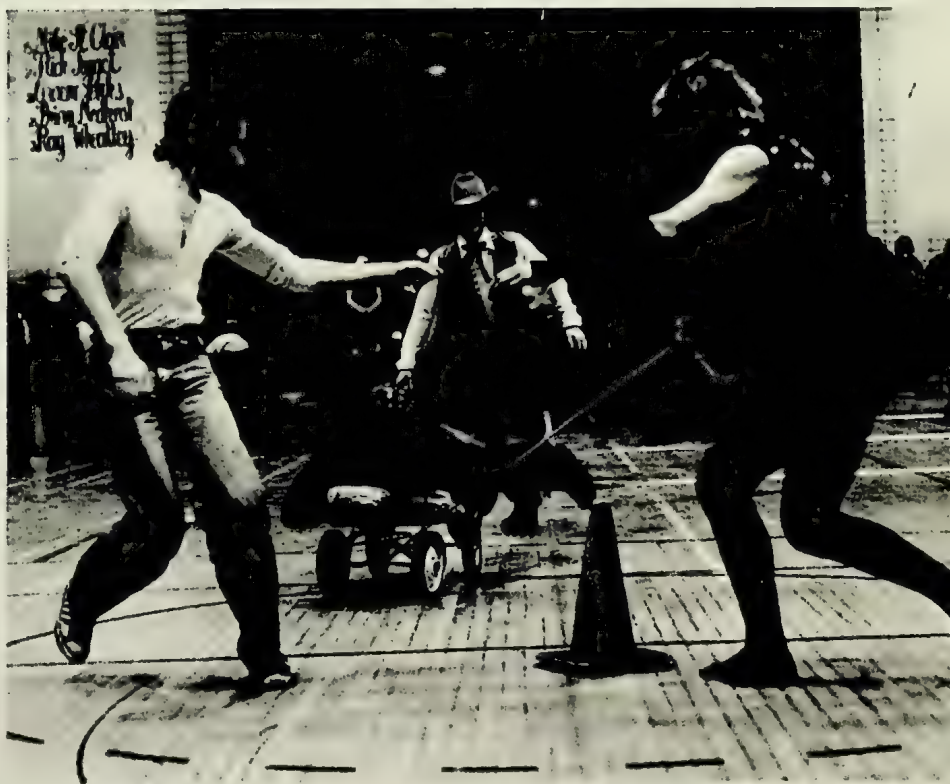

Western Day '77 started with a 7 o'clock breakfast at McDonalds, and though they had been warned, even McDonalds was not ready for the group that packed their restaurant as soon as the doors opened. Back at school, Shep had been transformed overnight to a Western stage by the wing decorating contest, and in order to make room for the noon hour activities classes were shortened, to thirty minutes. But even then, kids had a hard time making it to class, as the halls were alive with the sounds of stick-ups and showdowns, all in fun, of course.

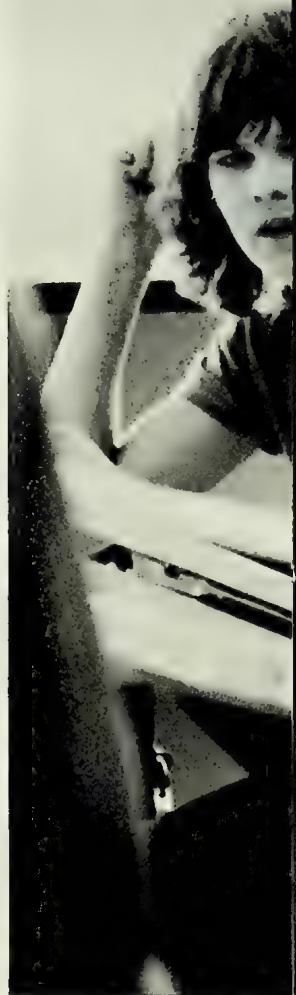

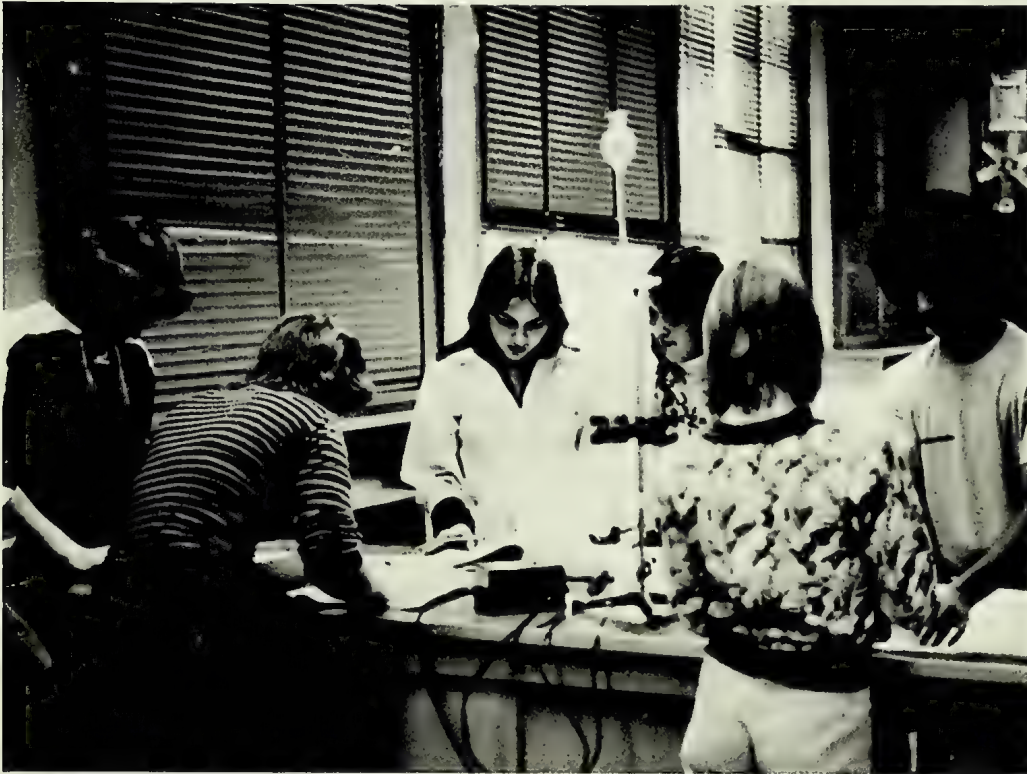

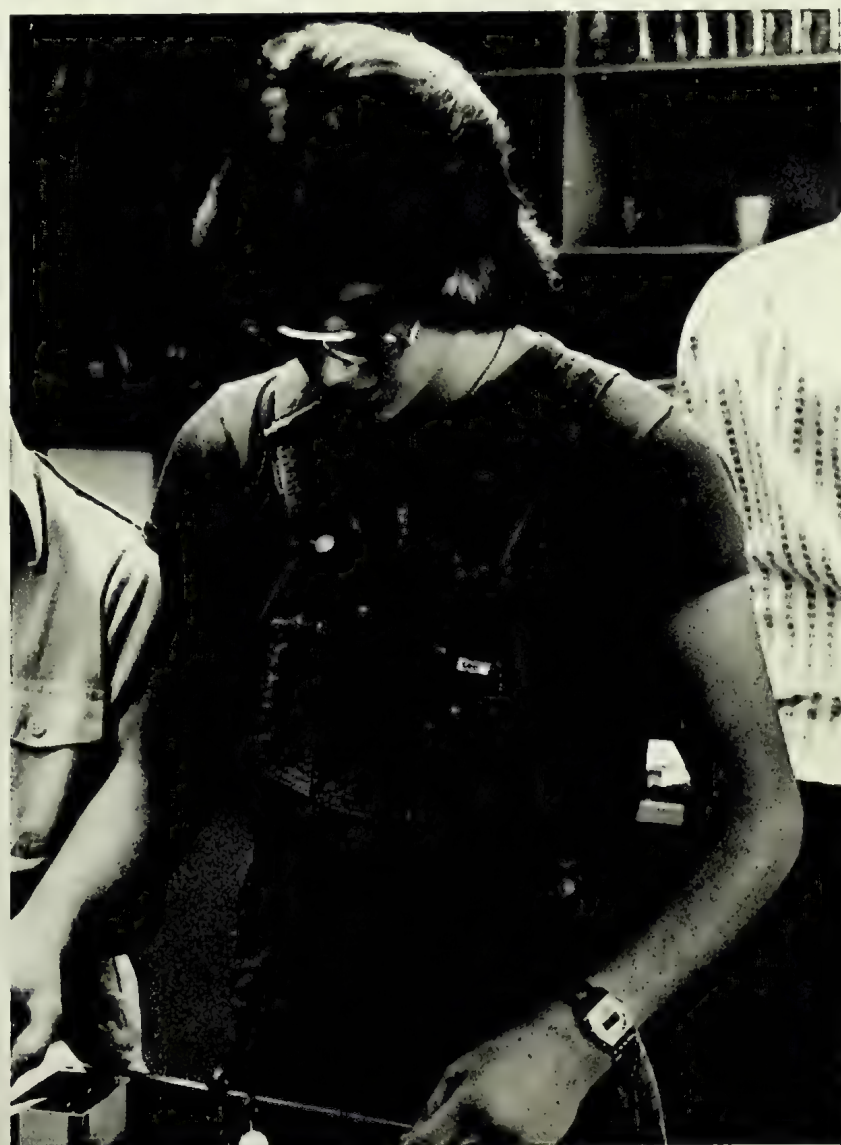

Western days noon hour activities included the pancake eating and root beer drinking contests, the pony express and chuckwagon races. A cheerleading show, King of the Cowboys, and a Western Days Talent Show. All activities had lots of entries, and were a lot of fun both for the participants and those in the onlooking crowds. After the contests, the stands emptied out on to the floor to square dance, and then all too soon it was time to go back to class (or home, as the case may be). The Western Days Dance featured the San Francisco Band, H.P. Riot, and in the tradition of the day, was a success.

Western Days '77 was the best yet. Everyone, even teachers, came to school dressed for the day. Participation in the events was overwhelming, as was the support by the student body. The cafeteria, and later the gym, were packed by kids cheering on the contestants. The Student's Union felt gratified that the day was such a success. Such school spirit is good to see.

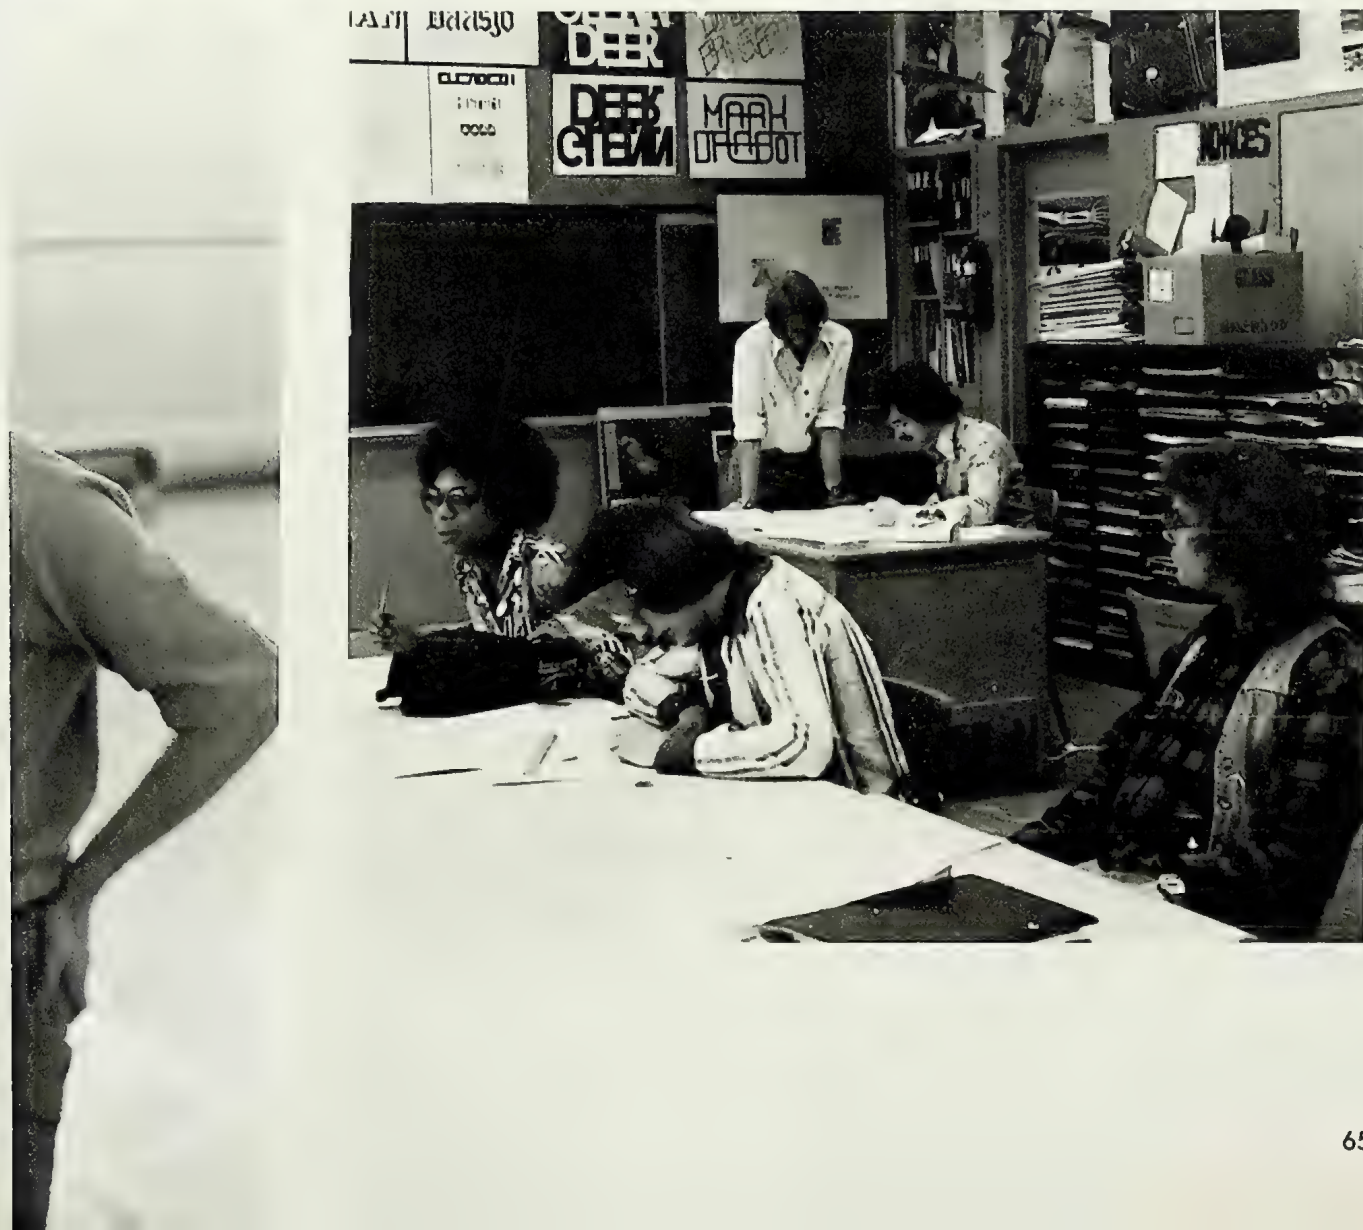

LIVING AND LEARNING...

*THAT'S WHAT
IT'S ALL ABOUT*

STUDENT'S UNION

PRESIDENT DAWN NOYES

The concept of Student's Union varies from person to person. The main idea tends to be that S. U. should involve as many students in as many ways as possible. Here at Ross Sheppard, the opportunity to get involved with other students is one right we do have. It is true that we don't have all the freedoms we might like but we can make the best of what does exist. Many students participate in dances and other major activities, but how many realize the time and effort involved? If we can come together as students and make S. U. a true union of ideas and enthusiasm we will be taking the opportunity high school has provided us and form our ideas and dreams into realities.

I would like to thank the executive for their work and co-operation over the year. A big "thank-you" goes to Mr. Wydareny for everything he did to keep us going when things got rough. To all those who were involved in the various clubs and divisions, I hope that your year was enjoyable and fulfilling.

I wish the Graduating Class the best of luck and more so, to those who remain here at Ross Shep. , I urge you to take an interest in your school and Student's Union. Your participation is vital to activities and school spirit. Make Shep. the kind of school to be proud of! Always remember: T-BIRDS ARE THE BEST!

Best wishes

PRINCIPAL — MR. I.M. NICHOLL

A few years ago schools were encouraged to keep pace with the rapid and extensive changes that were taking place in our society. We realized that with the world's fund of knowledge doubling every ten years or so, it was quite impossible to keep up with all changes. We would have to become more selective and discriminating in our choice. In line with this thinking there has been an increasing flexibility in both the number of courses offered, and in their content. There are many educators who have long regarded the Grade Twelve Departmental Examinations as an unsatisfactory measure of educational achievement, so removal of these exams in 1973 was further evidence of increased freedom in education.

But this new freedom was not to flourish unchallenged for long and the shrill cry of "back to basics" was heard louder and louder in the land. For many the cry had the instant appeal of a simple solution to a complex problem. Unfortunately, there is no consensus as to what "back to basics" means, and all too often it implies to going back to some golden age in the past when courses and content were strictly prescribed. Despite the attractions of simple solutions, they won't work in our situation. Society has generally dictated that our youth are to remain in school until they are ready to enter the working force or to go on to further education at the age of 17 or 18. Then, surely, it is our task to devise programs of sufficient variety to cater to their needs and to challenge the capacity of all our students.

The most important factors for education in any school will continue to be the staff and the student body. In this school the staff and the students have, over the years, developed an enviable reputation for excellence through hard work in many fields. I urge all students and teachers alike to continue the pursuit of this worthy tradition.

SOPHS

TO COMPREHEND
THE AGE OF SIXTEEN
IS TO ONLY HAVE LIVED IT,
AS I HAVE.
A BABY I'M NOT,
BUT NOT YET AN ADULT,
WHY WAS I NOT BORN SOONER:
OR LATER?

I LIVE IN A MID-WORLD
I DON'T UNDERSTAND,
BEING TOLERATED AS A CHILD;
RESPECTED AS AN ADULT,
I AM NEITHER UP
NOR DOWN,
BUT IN THE MIDDLE,
PART WAY.

GRADS

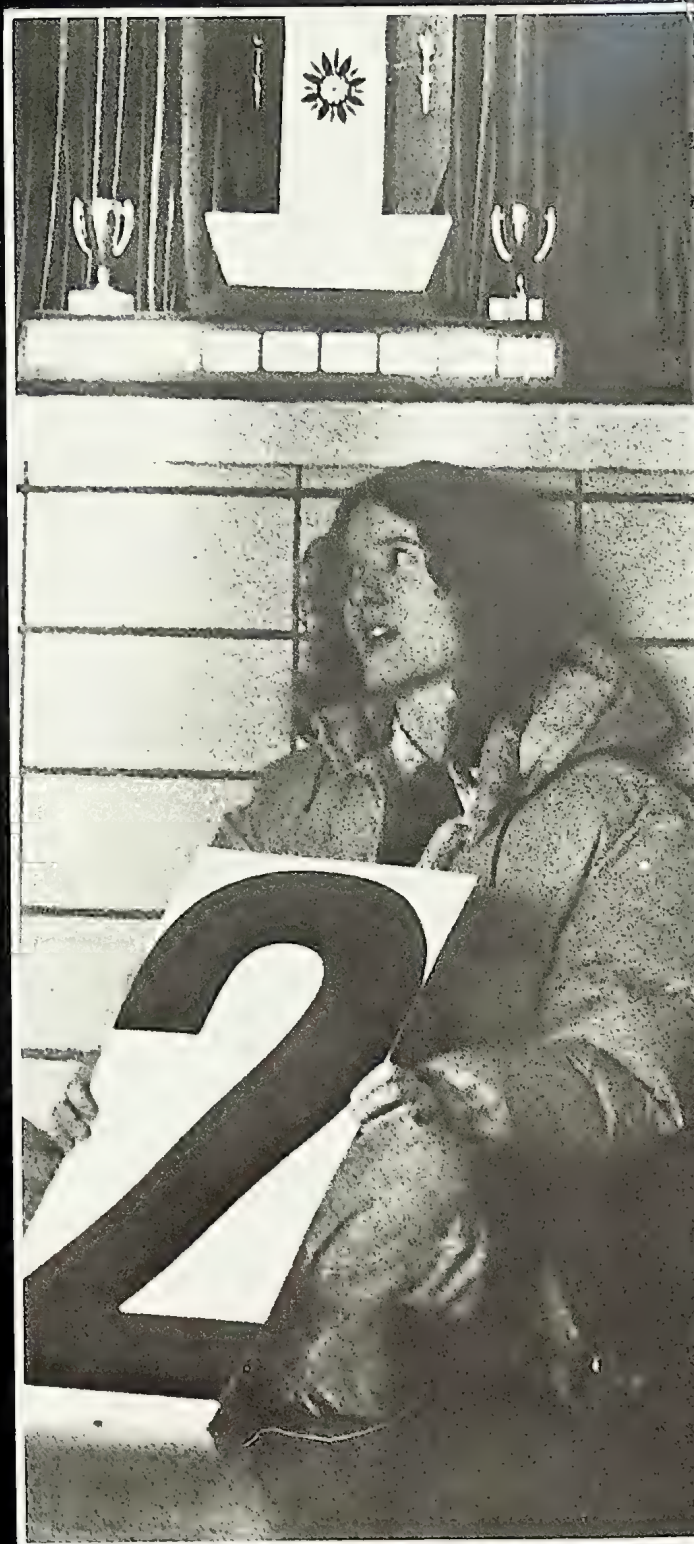

SOMEDAYS I JUST SIT AND THINK
ABOUT ALL THE THINGS
THAT HAVE PASSED.

SO MANY DAYS SEEM TO DRIFT BY
UNEVENTFUL FOR ACCOMPLISHMENT
BUT FULFILLING TO ME,
AND MY LIFE.

SOMETIMES I'M LONELY,
BUT NOT ALONE.
THE WIND CHANGES,
THE SUN SHINES WARMLY ON MY FACE,
AND I'M BACK TO REALITY.

I FEEL I HAVE TO SEARCH,
AND FIND THE WHEREFORE,
AND THE WHY,
BUT I KNOW
I'LL JUST HAVE TO BE SATISFIED,
FOR NOW.

YEARBOOK STAFF

Youth . . . the best time of all . . . that is if you aren't trying to make a yearbook deadline and keep sane at the same time.

Youth was chosen as the theme for the '77 Courier yearbook because it's common to everyone, both the young, and the young at heart. It's a time when anything is possible, a time when life is its fullest. That time is now.

In making the '77 Courier, we've tried to portray the freedom and the fun of our youth, and we feel that we've been successful. Thanks to the great kids here at Shep who've gotten involved in Student's Union, in athletics, in clubs, and in all the other things going around Shep, it's been easy showing what a great time youth is. Years from now, as you look back at your '77 Courier, I hope you remember the great time that you had. I hope you remember too, that youth is a state of mind. May a quick look at your yearbook then bring you back to the freedom and fun of your youth.

ACKNOWLEDGEMENTS

The entire yearbook staff for their tremendous efforts in making what we think is the best Shep yearbook yet.

The grad class for actually turning almost all of their autobiographies in on time.

Cheryl Wright for being a great sport and actually editing all of the grad autobiographies.

Richard Coutts for some great layouts, and for the million and one other things he did to make the yearbook a success.

Brian McConkey for the hours he spent in the darkroom. The excellent results of his efforts can be seen throughout this yearbook.

Brad Lamoureux for taking enough time out from his calculus to run around taking pictures and at the same time do a great job.

Gord Allan for doing a fantastic job in between National Penguin Week and Save-A-Penguin Day; in other words all year long.

Debbie Machan for all her efforts and cheerfulness.

Reid Felske for letting me call him Mr. Felske, for his support and cooperation, and for always being on time?

Mr. Mix for being an ideal advisor - seen often but heard from only when needed.

Colleen Bailey, Van Agioritis, David Young, and Dave Purvis for their outstanding photography.

Pat Craig and the Student's Union for their cooperation.

Everyone at Ross Shep for being themselves. You're great.

The coaches for being so cooperative with their predictions and results.

All our sponsors for their confidence in our ability to produce a yearbook worthy of their support.

Room 237 for its hard working atmosphere and great view.

Brenda for supplying the music in the form of all three radios.

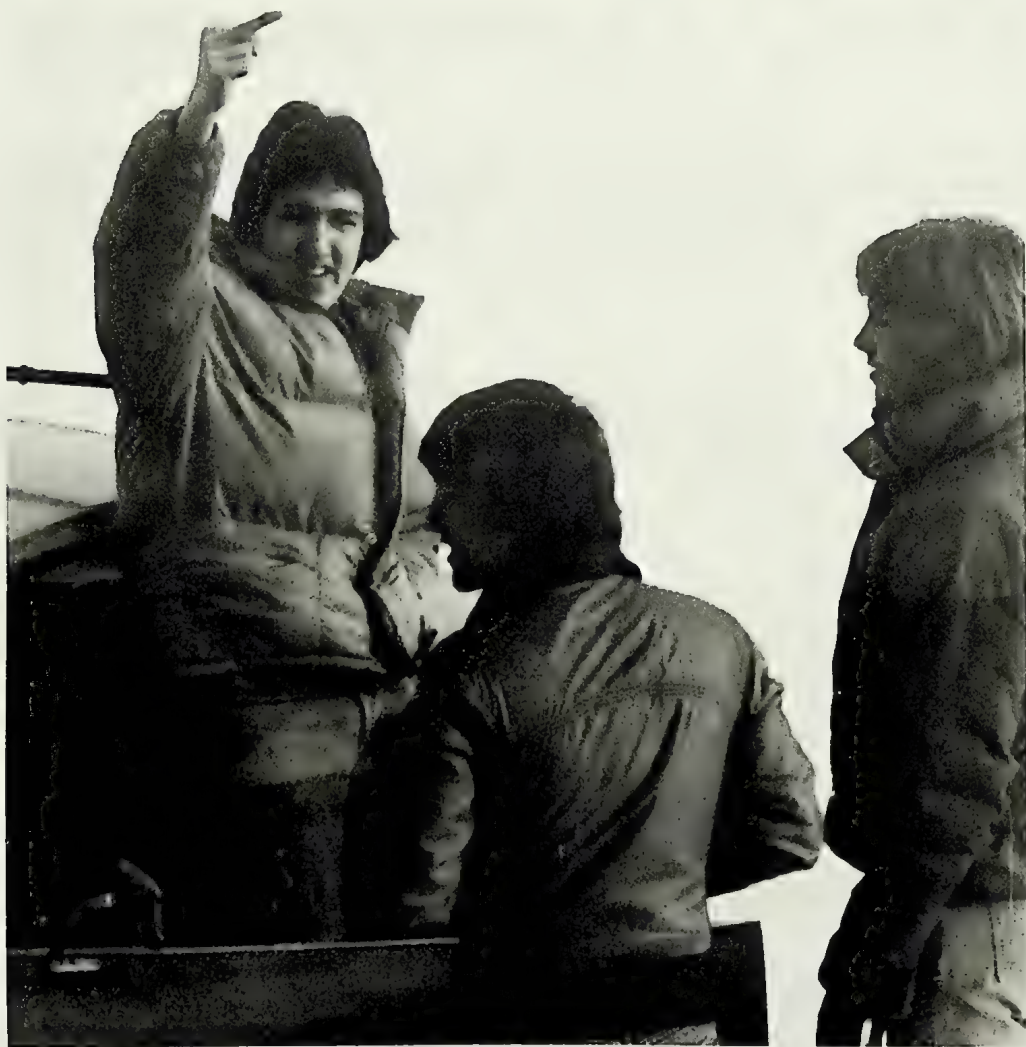

Mrs. Ohlsen for kindly overlooking occasional absence and late papers around deadline time.

Barry White for the beautiful cover photo.

Mr. Wynn for always making me laugh regardless of how far behind schedule the yearbook was.

My parents for their unlimited moral support and cooperation which was greatly needed and appreciated, and without which this yearbook would have never been completed.

Which is use

We think it might be a little blue one with a Bank of Montreal M on the cover. It's the book that means you are planning for the future. We'd like to help you with your plans. So, if you have any money questions (or even if you don't), come in and ask us about the useful little blue book.

Let's talk!

Linda Jean Davidson spent the first semester of the 76-77 school year training in Hamilton for the Canadian Figure Skating Championships. She practiced with the Hamilton Stoney Creek Club, and had a successful year, winning the Western Ontario Senior Ladies Championship, and then participating in the Nationals. Linda Jean returned for the second semester to finish her grade 12 at Shep.

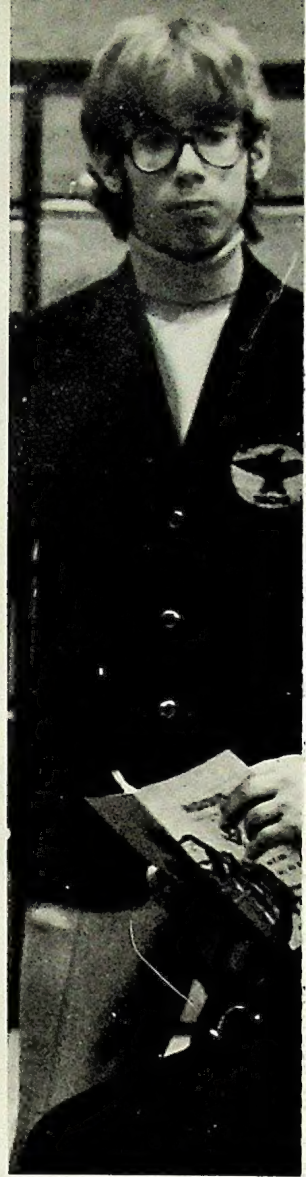

NATIONAL CURLING CHAMPION

Cathy King, the skip of her Crestwood Rink, lead her team to victory in the Northern Alberta Junior Girls playdowns. Winning this in eight straight games, they advanced to the provincials which

they took easily in four games. The Provincial win qualified the King rink to compete in the Canadian Junior Girls curling Championships, held in St. John, in March. Here

too, the King Rink came out on top, with an almost flawless record of nine wins and only one loss. Congratulations Cathy, on a fine showing.
